Keeping Children Safe in Education (KCSIE) 2025 Staff Declaration

Football 4 All is committed to maintaining the highest standards of safeguarding and child protection.

We confirm that all Football 4 All staff, coaches, volunteers, and any individuals working directly with children on behalf of the organisation have read and understood the statutory guidance Keeping Children Safe in Education (KCSIE), September 2025. Staff have been made aware of their safeguarding responsibilities, including recognising signs of abuse and neglect, reporting concerns promptly, maintaining professional boundaries, and understanding their duty to safeguard and promote the welfare of all children.

As part of our ongoing safeguarding commitment, all staff receive safeguarding training and regular updates to ensure their knowledge remains current and in line with national guidance. Staff understand the procedures to follow should they have concerns about a child, another member of staff, or any safeguarding practice.

Football 4 All expects all personnel to adhere to the principles and requirements outlined within KCSIE 2025 and to place the safety and wellbeing of children at the centre of all activities and decision-making.
